Dear Mr. Emery:

On behalf of the undersigned and all others who have petitioned for the formation of a **South Plains Section**, will you please change the effective date of the petition to January 20, 1964, instead of December 20, 1963? While we have not been able to contact all signers to get their approval, we are convinced that all will agree with the intent.

The purpose of this action is to enable the new members, some 16 in number, who have been able to obtain their membership for 1964 to come in as charter members of the South Plains Section.

Sincerely,

Dear Doctor Draper:

At its meeting on April 7, the ACS Council took the following action:

On recommendation of the Committee on Local Section Activities and with the concurrence of the Council Policy Committee, VOTED to charter a new local section with headquarters at Lubbock, Texas to be known as the South Plains Section and with territory comprised of Roosevelt County in the State of New Mexico and Bailey, Borden, Cochran, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Kent, Lamb, Lubbock, Lynn, Motley, Terry, and Yoakum in the State of Texas. All the counties are unassigned with the exception of Lamb, Floyd, and Hale which were released by the Panhandle Plains Section.

Staff congratulates you and your co-workers for the initiative you have shown in forming the Section. We trust that this is the beginning of a long and productive "history." Best of luck to you and your associates now and in the years ahead.

Many details are involved in organizing a new section. Mr. Marshall Mead, Head of the Local Section Activities Office, will be in contact with you about most of these.

Cordially yours,

AHE:vz
